Correction to: Hyperfine Interactions (2019) 240: 125
<https://doi.org/10.1007/s10751-019-1666-8>

Due to an unfortunate turn of events this article was published in the wrong Topical Collection next to an incorrect Topical Collection footnote about the proceedings the article belongs to. The correct footnote and Topical Collection the article is part of is mentioned below and should be regarded as final version by the reader:

“This article is part of the Topical Collection on *Proceedings of the International Conference on the Applications of the Mössbauer Effect (ICAME2019), 1-6 September 2019, Dalian, China*

Edited by Tao Zhang, Junhu Wang and Xiaodong Wang”

Publisher’s note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

This article is part of the Topical Collection *Proceedings of the International Conference on the Applications of the Mössbauer Effect (ICAME2019), 1-6 September 2019, Dalian, China*
Edited by Tao Zhang, Junhu Wang and Xiaodong Wang

The online version of the original article can be found at <https://doi.org/10.1007/s10751-019-1666-8>
