

## Curriculum Vitae

### Personal Information

Name: Tao Zhang  
Date of Birth: 1963  
Academic Position: Director & Professor  
Institution: Dalian Institute of Chemical Physics,  
Chinese Academy of Sciences

### Academic Qualifications

1989 Dalian Institute of Chemical Physics, Chinese Academy of Sciences, China, Ph.D., Physical Chemistry  
1986 Dalian Institute of Chemical Physics, Chinese Academy of Sciences, China. M.Sc., Physical Chemistry  
1982 Shaanxi University of Technology, China. B.S., Chemistry

### Academic Employment

2007-present Director, Dalian Institute of Chemical Physics, Chinese Academy of Sciences  
2008-present Director of China Side, China-France Joint Laboratory for Sustainable Energy  
2010-present Director of Mössbauer Effect Data Center  
2006.10-2007.05 Invited Professor, University of Poitiers (France)  
2011.2-present Guest Professor, University of Namur (Belgium)  
1999.09-1999.10 Visiting Scholar, University of Illinois at Urbana-Champaign, USA  
1998-2007 Vice-Director, Dalian Institute of Chemical Physics, Chinese Academy of Sciences  
1995-present Professor, Dalian Institute of Chemical Physics, Chinese Academy of Sciences  
1989.09-1990.10 Visiting Scholar, School of Chemistry, University of Birmingham, UK

### Statement of Research

Utilization of biomass for production of chemicals  
Environmental catalysis  
Design and synthesis of nano- and subnano catalytic materials
